Application for Short Term Delegation Scholarship

Christian Peacemaker Teams has limited funds available to assist individuals who otherwise would not be able to participate in CPT delegations. CPT has a commitment to undoing racism and will give preference to applicants from communities that have been disadvantaged by racism. We encourage applicants for all CPT delegations to raise funds from family, friends, their church, local peace group, home community, etc. in order to nurture support and interest in the project of peacemaking as well as to facilitate their participation.

Please fill out CPT's **Application for Short Term Delegation** and submit with this form or check here if you have already applied.
